Winner, 2020 French Heritage Society Book Award. Acclaimed upon its hardcover publication as a "culinary treat for Francophiles" (Publishers Weekly), A Bite-Sized History of France is a thoroughly original book that explores the facts and legends of the most popular French foods and wines. Traversing the cuisines of France's most famous cities as well as its underexplored regions, the book is enriched by the "authors' friendly accessibility that makes these stories so memorable ...

A witty exploration of the facts and legends surrounding some of the most popular French foods and wines by a French cheesemonger and an American academic, A Bite-Sized History of France tells the compelling and often surprising story of France from the Roman era to modern times. Traversing the cuisines of France's most famous cities as well as its underexplored regions, this innovative social history explores the impact of war and imperialism, the age-old tension between tradition and ...

The new book by Frenchman Stéphane Hénaud and his American wife Jeni Mitchell, A Bite-Sized History of France: Gastronomic Tales of Revolution, War, and Enlightenment, explains the importance of terroir in France, as well as the origin of ingredients and dishes we typically associate with France. In Hénaud's own words, "It's a history of France, as told through their food and wine."

A Bite-Sized History of France will make your mouth water for all those delicious dishes, cheeses, and breads. This book retells the story of French history at a very high level, so if you know much about that history, this book may drag a bit. But the authors weave stories about food into the general French history and I found these parts more ...
