Includes authors, titles, subjects.

Presents current perspectives and research on all psychological disorders. This edition of the text features discussion on antisocial personality disorder, rape

and domestic violence. A Groups at risk section highlights differences in prevalence by gender, race and socioeconomic status.

Contemporary Issues in Behavior Therapy presents innovative approaches to various societal problems worldwide. Contributors explore issues from diverse areas such as behavioral medicine, education, developmental disability, poverty, problematic behavior, and developmental considerations (ie., early family experiences and aging process). The volume stimulates ideas for research, prevention, and treatment, as well as for managing other modern ills including homelessness, crime, and aggression.

These are the stories of the Women of the Catskills, Whose Lives personify the strength of the Mountains. Hailing from the home of industrious, strong and creative individuals, the women of the Catskills have embodied this rugged spirit best. Though often overlooked in Catskill Mountain history, their stories are inspiring, like that of Candace Wheeler, who used her rural upbringing to achieve personal success and improve life for others. They are personal, such as Lucy Lobdell's story. A century ahead of her time, she challenged conventional thoughts on equality and lifestyle. Most of all, they reflect the spirit of their surroundings, as independent women like Marion Bullard challenged the status quo to build a better community. Overcoming the physical challenges of mountain life and the societal obstacles they faced because of their gender, Catskills' most fearless women are revealed by local historian Richard Heppner.
