Philo-Semitism | Project Gutenberg Self-Publishing ...

Philo-Semitism is an expression of the larger phenomenon of allophilia, admiration of foreign cultures as embodied in the more widely known Anglophilia and Francophilia. The rise of philo-Semitism has also prompted some to reconsider Jewish history, and they argue that while anti-Semitism must be acknowledged, it is wrong to reduce the history of the Jewish people to one merely of suffering (as has been fostered by well-meaning gentile philo-Semites).

Based on sound analysis of European, Jewish, and Holocaust literature and historical documents, Edelstein's work seeks to explain the active role of Christians (especially the papacy), and of secular and religious leaders that ensured the survival of Jews in a hostile environment. The study begins in the time of Rome and ends in the period following World War II.

The work begins with an attempt to understand the philosophy of Nazism and its attendant anti-Semitism, as a necessary prelude to the study of philo-Semitism, which also displays a continuous tradition to the present day. Most of the non-Jewish authors in Germany in the nineteenth century expressed both anti-Semitic and philo-Semitic views (as did most of the German-Jewish authors of that same time); the following work deals with philo-Semitic texts by the non-Jewish authors of the period. The writer who provides the largest body of relevant material is Leopold von Sacher-Masoch, but works by Gutzkow, Bettine von Arnim, Annette von Droste-Hülshoff, Hebbel, Freytag, Raabe, Fontane, Grillparzer, Ebner-Eschenbach, Anzengruber, and Ferdinand von Saar are also examined, as are several tales by the Alsatian authors Erckmann and Chatrian. There is a short chapter on women and philo-Semitism. The conclusion draws attention to the feelings of guilt that are revealed in a number of the texts.

Read Online An Unacknowledged Harmony Philo-Semitism And The Survival Of European Jewry

This book of essays provides a significant reappraisal of discussions of antisemitism and philosemitism. The contributors demonstrate that analysis of philosemitic attitudes is as crucial to the history of representations of Jews and Jewish culture as are investigations of antisemitism.

This fascinating book has two aims. The first is to draw attention to the existence of a persisting and virtually unrecognised tradition of 'philosemitism' which manifested itself in Britain and elsewhere in the English-speaking world during every significant international outbreak of antisemitism during the century after 1840. The second is to offer a typology of philosemitism, distinguishing between varieties of support for the Jewish people.

A broad and ambitious overview of the significance of philosemitism in European and world history, from antiquity to the present.

In *Countering Contemporary Antisemitism in Britain*, Sarah Cardaun presents a critical analysis of responses towards anti-Jewish prejudice in the UK and examines how government and civil society have attempted to combat both old and new forms of this age-old hatred in Britain.

This book traces the historical phenomenon of "the Jew as Legitimation." Contributors discuss how Jews have been used, through time, to validate non-Jewish beliefs. The volume dissects the dilemmas and challenges this pattern has presented to Jews. Throughout history, Jews and Judaism have served to legitimize the beliefs of Gentiles. Jews functioned as Augustine's witnesses to the truth of Christianity, as Christian Kabbalist's source for Protestant truths, as an argument for the enlightened claim for tolerance, as the focus of modern Christian Zionist reverence, and as a weapon of contemporary right wing populism against fears of Islamization. This volume challenges understandings of Jewish-Gentile relations, offering a counter-perspective to discourses of antisemitism and philosemitism.

Written by top scholars in an accessible manner, this unique encyclopedia offers worldwide coverage of the origins, forms, practitioners, and effects of antisemitism, leading to the Holocaust and surviving to the present day. * 650 A-Z entries by over 200 scholars from 21 countries * Illustrations such as caricatures, political cartoons, maps, and pictures of famous antisemites and historical episodes * Citations of recent literature that follow each entry * Detailed index listing people, places, concepts, and events that enables users to find information about subjects not treated in dedicated articles * Direction at the end of each entry to other articles with special relevance to the topic

An exploration of the temporal function that "the Jew" plays in literature.

Read Online An Unacknowledged Harmony Philo Semitism And The Survival Of European Jewry

Examining the political and religious discourse on the "Jewish Question," Anthony D. Kauders shows how men and women in the immediate post-war era employed anti-Semitic images from the Weimar Republic in order to distance themselves from the murderous policies of the Nazi regime.
