Ancient Israel. After the invasion of Canaan under the leadership of Joshua, Ancient Israel extended 150 miles / 240 km from north to south, ‘from Dan to Beersheba’ (see 2 Samuel 24:2 and Map 34). Map 34 Ancient Israel in the Old Testament. As the boundaries of Canaan set out by Joshua (see Numbers 34:1-12) and the boundaries of the Twelve Tribes of Israel (see Joshua 14:1-19:51) are broadly similar, it is often assumed that Israel controlled the whole of Canaan after the conquest in c ...

In Assyria, the patron god was Ashur, and in ancient Israel, it was Yahweh; however, both Israelite and Assyrian cultures recognized each other's deities during this period. [99] Some scholars have used the Bible as evidence to argue that most of the people alive during the events recounted in the Old Testament, including Moses, were most likely henotheists.

The covenant God established with Israel at Mount Sinai bears the marks of a suzerain vassal treaty (covenant), a somewhat common treaty form in the ancient Near East. My previous few posts have been exploring the Old Testament concepts of fictive kinship and how that relates to the New Testament’s emphasis on love as the fulfillment of the law. This post digs deeper into the concept of the suzerain vassal treaty and how it helps us to better understand God’s covenant with Israel, and ...

It is difficult to paint a complete picture of family law in ancient Israel; the Hebrew Bible presents a variety of texts from different times that may be used to reconstruct this law, and it is uncertain whether the rules and concepts in these texts all functioned simultaneously. Several texts suggest that a man’s principal heirs were the sons born to him by his wife (or wives).

Stoning was "presumably" the standard form of capital punishment in ancient Israel. It is attested in the Old Testament as a punishment for blasphemy, idolatry and other crimes, in which the entire community pelted the offender with stones outside a city. The death of Stephen, as reported in the New Testament (Acts 7:58) was also organized in ...

Slavery in the American South should not be equated with slavery in ancient Israel. Slavery in the Old Testament was governed by laws which made it a more humane institution than slavery in the New World. First, slavery in ancient Israel was voluntary. The poor sold themselves into slavery (Lev. 25:35, 47).

Unfortunately, our knowledge of the history of ancient Israel is based largely on one source, the Old Testament. From a historical perspective this massive work contains strands of information set to writing as early as the reign of King Solomon (961-922 BC). Most of it was probably compiled, however, during the Babylonian Captivity (586-539 BC) or later.

Israel’s Purpose in the Old Testament Is Now the Church’s Purpose Expressed in the New Testament. The church did not replace Israel. Rather, Israel, from the beginning, was the seedlings of the church. A redeemed church, a new people able to be in fellowship with God and able to fulfill his purpose, was God’s plan from the beginning. God gave Israel the law to guide her like a child until she could come of age through Jesus
