In this exciting new adventure, Rainbow Fish is torn between his newfound friends and a lonely striped fish who is not allowed to join the group because he lacks a shiny scale. Follows the adventures of Dazzle, a spectacular little dinosaur with an iridescent foil spine who, with his friend Maia, meets the friendly Stegosaurus and the terrible Dragonsaurus. Reprint.

On a small island in the middle of the sea, a mouse named Milo makes an extraordinary discovery - a magic, glowing stone hidden in a deep crevice. The reader can decide whether this discovery will bring the mice delight or disaster.

In the summer of 1807, the Explorer, a ship from Her Majesty's Navy recovers a young shipwreck off the coast of Siam, Abel, who can only remember his name. He soon becomes friends with the first officer, acting as a captain because the commander of the ship has apparently absconded with the ship's treasure. Abel returns to England with the Explorer and finds accommodation at the inn run by the three fugitive captain's daughters. Well before he can recover his memory, however, he will discover something deeply disturbing about himself, and he will understand the true nature of some of the people who helped him. A haunting and intense book that digs into the soul of the protagonists as well as the reader, with a generous helping of good ol' fashioned salty adventure along with many a shanty sung and a sprinkling of magic dust. Presented in a handsome old style, with a worn-looking hardcover, as if taken from a ship captain's library. An uplifting, enthralling escape.
