It's been four years since a new president ascended to the White House. Zach Barrows has not seen Nathaniel Cade, the President's Vampire, since being fired from his position as Cade's handler and sent to a small, cramped office in a government building in Nebraska. Once he and Cade fought a shadow war against the monsters, spies, and demons that threatened the United States. Now Zach pushes papers and listens to conspiracy theories from people who have no idea how dark the real world can get. Then Zach is summoned to the Situation Room by President Lester Wyman, who is both the commander-in-chief and a possible traitor. But he and Cade are bound to follow Wyman's orders. They are told to find out why a top-secret missile silo has gone offline. If they fail, a nuclear warhead will launch, and the world will die in a hail of fire. In other words, it's just another night on the job. After a long absence, Cade and Zach are back in action together - for what might be the last time.

A secret sect of the Catholic Church, armed with an ancient book of the undead called The Gospel of Shadows, has been slowly destroying vampires for centuries. Now the book has been stolen, and the sect races to retrieve it before their purpose is discovered: a final purge of all vampires. As the line between saints and shadows grows ominously faint, private eye Peter Octavian is drawn into the search. And he'll do anything to find the book . . . for Peter Octavian is also a vampire. Ostracized by his kindred for refusing to take part in the 'blood song', he cannot stand by and watch while they are destroyed. In a deadly game with a driven, sadistic assassin, the trail leads to Venice at the time of carnival, where the Defiant Ones, as the vampires are known, are engaged in a savage battle for their lives. Filled with plot twists, mystery, sex and violent death, Of Saints and Shadows is a spine-tingling thriller which opens the door to the world of The Shadow Saga.
