I love making books with kids, be they class books, emergent readers, or individual kid-directed books. There is just SO MUCH learning that can take place during this process. Plus, it's just plain fun. For the kids. And me. Because, let's be honest, I have just as much fun making these books as the children do!

Three children, and a tiger, must make their way alone across India while the chaos and violence of the 1857 Rebellion rages around them. The three are very different: Bea is the orphaned child of English parents, desperately searching for her baby brother; Jacques is French, formerly part of a circus double act, and accompanied by another circus performer, tiger Tonton; and Pingali, third ...

Aaron Blabey has written many well-loved, best-selling books for children. He has around five million books in print and is the creator of three hugely successful series for children - the New York Times Bestseller The Bad Guys, Pig the Pug and Thelma the Unicorn. In 2018 it was announced that a movie adaptation of The Bad Guys is in development at DreamWorks Animation with Aaron serving as an Executive Producer on the project.

Kids & Children's Books | Booktopia

One of my favorite read aloud books is "Otto the Otter Takes a Bath." It's a fun, engaging picture book that's written at a higher level than most. It could also check out the author's other work, "Messages From Maryam." It's a kids book about the refugee crisis and I think it's perfect for upper elementary age range.

This fun and whimsical book is filled with powerful affirmations that remind children of all the things they can love about themselves and what they have to offer the world. The playful illustrations by bestselling illustrator Judi Abbot showcase the way characteristics such as curiosity, beauty, bravery, and thankfulness can shine through in every child, even when he or she doesn't realize it. Scientific studies prove that affirmations empower and uplift. The inspiring message of I Am helps toddlers ages 0 to 4: Build a deep sense of confidence and self-esteem Understand how much they are loved Create a foundation of positivity and self-acceptance I Am features colorful illustrations and affirmations such as I am strong, I am kind, and I am smart. The book is a great gift for baby showers, birthdays, or any time you want to help instill self-confidence (and love!) within a child.

When the world feels chaotic, find peace within through an accessible mindfulness practice from the bestselling picture-book dream team that brought us I Am Yoga. Express emotions through direct speech. Find empathy through imagination. Connect with the earth. Wonder at the beauty of the natural world. Breathe, taste, smell, touch, and be present. Perfect for the classroom or for bedtime, Susan Verde's gentle, concrete narration and Peter H. Reynolds's expressive watercolor illustrations bring the tenets of mindfulness to a kid-friendly level. Featuring an author's note about the importance of mindfulness and a guided meditation for children, I Am Peace will help readers of all ages feel grounded and restored.

This is the best cat book you can ever find. Everything is so fluffy and airy-fairy in the kitty-catty world. Cats know their worth, acting grand and being as laid-back as they ever can be. They are licking their soft fur and laze up in the sun. But there is one catch in this harmony: two cat groups are not friends in between as they don't really see the point in doing that. Smart and fine tabby cat comes to a town. He is a cool and trendy big city cat. This cat is also very smart. Stripy decides to show other cats how much fun it is to be friends. The story is written in a light and fun way. It is filled with amazing kitty pictures which will keep your child entertained right to the end of story. Your child will learn the most important life lesson about how great it is to be friends with someone, and that despite outward differences, inside we are all very cool.

I Am Earth introduces kids to the basic concepts of earth science while also encouraging the importance of taking care of our special planet through environmental awareness and sustainability. Keeping Earth a happy healthy place to live is important for everyone big and small. In this Earth science book for beginners, kids learn what makes our planet so uniquely special and how people can work together to keep it a healthy home.

"Your thoughts create your life!" This is the message that Louise Hay has been teaching people throughout the world for more than 27 years. Now, children can learn and understand the powerful idea that they have control over their thoughts and words, and in turn, what happens in their life. Within the pages of I Think, I Am! kids will find out the difference between negative thoughts and positive affirmations. Fun illustrations and simple text demonstrate how to make the change from negative thoughts and words to those that are positive. The happiness and confidence that come from this ability is something children will carry with them their entire lives!

I Am A Dinosaur is the perfect book for kids ages 3-7 who are fascinated with dinosaurs. Young children will learn current scientific thought about dinosaurs while also gaining a better understanding of how these prehistoric giants fit into Earth Science. Colorful full-page pictures of favorite dinosaurs like Ankylosaurus, Triceratops, Tyrannosaurus rex and many, many more will captivate toddlers. A sizing key will help children understand how big each dinosaur stands next to an average person, along with a simple pronunciation guide for each of the dinosaurs' names, created for grade levels preschool through first grade. Even the biggest of dinosaurs was once a baby. I Am A Dinosaur tells the story of the different stages of life that many dinosaur species lived, giving children an understanding of how these prehistoric creatures evolved and have taken their place in the animal kingdom. Dinosaurs walked the Earth millions of years ago and scientists are still uncovering their fossils today. Let's meet a few!

This amazing coloring book is all about building a girl's confidence, imagination, and spirit! Affirmations will build up your child's self-esteem and transform her sense of self!! The 38 coloring pages encourage little girls to think beyond social conventions and inspire conversations with adults about what it really means to be confident, brave, and beautiful. This coloring book seeks to remind and inspire girls that they are worthy, beautiful, tough and enough...it encourages children to accept their unique qualities, and promotes positive self-esteem. Positive, educational and fun a great gift for any girl! Based on studies showing that coloring books can combat stereotypes! Designed to build confidence in girls age 3-8, while giving them an opportunity to express themselves creatively!

The Solar System is an incredible neighborhood centered around one very important star called the Sun. Discover the many amazing objects that call the Solar System home! In this simple Solar System book for kindergarten and first grade, kids are introduced to basic space concepts that are made easy to follow and remember. Starting at the Sun and working outward through the planets and belts, children will discover space objects and follow the flow of the solar wind, taking a fun and informative tour of the Solar System. Both boys and girls ages 5-8 will love the bright, colorful images of the planets and objects brought to life as characters, making learning more enjoyable and engaging. Kids will enjoy learning facts with the imaginatively illustrated Sun and planets that help build a love of learning while simultaneously presenting educational and scientific facts. Large print and easy to follow information tell all about the solar system for kids at preschool level learning. Travel the Solar System in an imaginary spaceship that tours the planets, and both belts, all the way to where the Solar System ends, and interstellar space begins. How many planets are in the Solar System? What type of planets are they? What happens to the solar wind? Have any spacecraft made it out of the Solar System? Where does the Solar System end? Find the answer to these questions and many more. I Am the Solar System is an excellent book for preschoolers, kindergarteners, and first graders just beginning to understand the basic concepts of the Solar System they are part of. I Am the Solar System, along with the numerous other books in the I Am series are a great addition to the Montessori method of teaching. The I Am series is geared toward scientific learning and independent thought. An excellent companion for Montessori classroom activities and as a stand alone read aloud.

Self-Regulation Skills Series 1 Kids feel emotions in big ways! Here's a great story for helping kids manage their feelings. This fun picture book opens a lot of opportunities to talk about emotions and feelings. Based on self-regulation theory, this is a story that helps to let their feelings out in a healthy way. Children will learn how to breathe through anger and frustration, to be able to think before acting, to be mindful. It's perfect for preschoolers ages 3 to 5, parents, teachers and anyone who works with kids. * Help children learn to identify and regulate their emotions * Anger is a normal, healthy emotion. * Behaving badly doesn't make you bad * Teaching your kids to deal with disappointment * Learn to tame your temper * Teaching kids about empathy, kindness, and compassion It has a great message: "This is a sweet little book. My 4 year old quotes it now when he starts getting cranky. * - Julia "We like this book! It's fun, and my girls like me to read it to them every night before bed" - Liz Explains empathy & kindness: "I got this book for my grandson. The pictures are colorful and the story teaches about patience. Book is perfect for the 3-5 -year old." - Kathy "Cute story, emphasizes empathy & kindness. My kids loved it!" - Carol And * Cute illustrations with nice rhyming story * Not too long, grabs kid's attention * Print version includes COLORING PAGES GET IT NOW and get the ebook for FREE!! Add this amazing kids book to your cart and ENJOY!

The Sun warms our days and brings light to the dark. Let's find out about the Sun, and why it's so important to life on Earth. There are many stars in the night sky, but only one that we've found so far that supports a planet filled with life, that's our star, the Sun! I Am the Sun introduces kids to the basic concepts of Space and Earth science while also teaching how important the Sun is to our very existence here on Earth. From the air we breathe to the everchanging weather, the Sun is a source of life for all of us. Young children will learn about basic concepts of astronomy, how the sun got its start in space, and how it's the glue that holds the solar system together. I Am the Sun is a great beginning science book for kids. Images are big and bright for kids ages 3-8. The concepts are basic and geared for preschool through second grade learners.
