BUSINESS ETHICS, 9th Edition is a comprehensive and practical guide that will help you with real life ethical issues that rise in the business world. It will assist you through the process of developing the critical thinking and analytical skills needed to successfully navigate the unique set of problems that emerge when ethics and commerce collide. This book focuses on key ethical concepts and emphasizes the real world importance of critical topics such as the nature of morality, major theories of ethics and economic justice, and competing views of capitalism and corporate responsibility. It is thorough, flexible, and designed to bolster student involvement with the material for better comprehension and understanding. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

SOCIAL AND PERSONAL ETHICS provides students with a sound introduction to ethical theory and contemporary moral issues through engaging readings on today's most hotly debated topics. Among other topics, coverage includes environmental ethics and animal rights, the limits of personal liberty, war and the struggle against terrorism, marriage and sexual morality, the death penalty, gun control, and abortion and euthanasia. The volume begins with two introductory essays written for beginning students by the editor, William H. Shaw, on the nature of morality and competing normative theories. These

are followed by five other essays on ethical theory by classical and contemporary authors. The book's next 12 sections explore a wide-range of real-world ethical issues. In all, the book is composed of 53 articles (11 of which are new to this edition). To ensure that the text is as accessible as it is relevant, Shaw has edited every article with an eye toward readability, provided introductions and study questions before the essays, as well as review and discussion questions after them, and highlighted key passages to help students focus on important points and concepts.

MORAL ISSUES IN BUSINESS, 13E examines the moral dilemmas that are common to today's business climate and gives readers the analytical tools to resolve those issues. Using a combination of true stories, interesting reading selections, and a conversational writing style, this edition prepares readers for the moral quandaries awaiting them in the professional world. Featured topics include: the nature of morality, individual integrity and responsibility, economic justice, pitfalls of capitalism, and corporations' responsibilities to consumers and the environment. Plus, this edition also discusses situation-specific concepts such as downsizing, whistle blowing, sexual harassment, job discrimination, animal abuse, and drug testing. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

The definitive and authoritative international law text, updated to reflect key case law, international practice and treaty developments.

Resolving Moral Issues in Business. The ethical landscape of business is constantly changing, and the new edition of *Business Ethics: Concepts and Cases* has been revised to keep pace with those changes most effecting business: accelerating globalization, constant technological updates, proliferating of business scandals. *Business Ethics: Concepts and Cases* introduces the reader to the ethical concepts that are relevant to resolving moral issues in business; imparts the reasoning and analytical skills needed to apply ethical concepts to business decisions; identifies moral issues specific to a business; provides an understanding of the social, technological, and natural environments within which moral issues in business arise; and supplies case studies of actual moral conflicts faced by businesses.

This collection of readings and cases begins with an introduction to moral reasoning, and then provides students with a wide range of opportunities to apply ethical theory to real contemporary managerial situations - including issues facing managers in the next century. Each section contains a case study and relevant theoretical articles that range from classics in philosophy to modern commentaries by business practitioners.

Morality and Moral Controversies provides students with the tools to understand the philosophical ideas that are shaping our world today. This comprehensive anthology includes classic and contemporary readings in moral theory and the most current applied ethics debates emphasizing international concerns. Through analyzing these readings such as Supreme Court decisions, students will grasp the scope of various philosophical discussions Supreme Court justices must have. *Morality and Moral Controversies* challenges readers to critically assess leading controversies in moral, social, and political philosophy. Upon completing this book, readers will be able to: Understand philosophical ideas that are shaping our world today. Confront conflicts faced when given the choice of morality. Apply various philosophical ideas to politics, religion, economics, relationships, and medicine. Discuss basic philosophical arguments.

Read PDF Business Ethics By Shaw 8th Edition

Brings together international scholars across the social and behavioural sciences and education to address those ethical issues that arise in the theory and practice of research within the technologically advancing and culturally complex world in which we live.
