Church Vestments Origin Development Origin
Secular origins. The vestments of the Catholic Church, East and West, developed out of the various articles of everyday dress worn by citizens of the Greco-Roman world under the Roman Empire. The officers of the Church during the first few centuries of its existence were content to officiate in the dress of civil life, though their garments were expected to be scrupulously clean and of decent quality.

Origins of ecclesiastical vestments - Wikipedia

The Christian church's earliest vestments were hardly distinguishable from the everyday dress of ordinary people in ancient Rome, but in time, ecclesiastical dress acquired its own distinguishing characteristics.

The Christian church's earliest vestments were hardly distinguishable from the everyday dress of ordinary people in ancient Rome, but in time, ecclesiastical dress acquired its own distinguishing characteristics.

Church Vestments: Their Origin and Development - Kindle ...

First, let us briefly overview the origins of our vestments. In the earliest days of the Church, vestments were essentially better forms of the clothing worn during that time that were set aside for use at the altar. This is, arguably, from whence developed the idea of there being special garments worn during the liturgical rites.

On the Origins and Development of Vestments. Part I: Origins

Product Description. Product Details. Church Vestments: Their Origin and Development by Herbert ...

Many of the church's vestments are descended from the ordinary dress of the imperial Roman society in which the early church came into being. Vestments worn by the celebrant at the eucharist typically include a stole and chasuble. These vestments usually reflect the liturgical color of the day or season of the celebration.

Church Vestments: Their Origin and Development - Herbert ...

Vestments are liturgical garments and articles associated primarily with the Christian religion, especially among the Eastern Orthodox, Catholics, Anglicans, and Lutherans. Many other groups also make use of liturgical garments; this was a point of controversy in the Protestant Reformation and sometimes since, in particular during the Ritualist controversies in England in the 19th century. For other garments worn by clergy, see also clerical clothing.

Vestment - Wikipedia

5.0 out of 5 stars Church Vestments: Their Origin and Development Reviewed in the United States on March 15, 2009 This is a wonderful little book that explains how vestments came about, with chapters that cover everything from the alb, to the chasuble and even the mitre (the hats bishops wear).

The churches of Britain contain a remarkable heritage of exquisitely embroidered vestments, and cathedrals in particular hold some of the most beautiful textiles ever produced in Europe. The history of these priestly garments and how their use developed in Britain and Europe is fascinating. This book outlines the tradition and mysticism associated with them and the role they still play in the 'theatre' of church, and shows how colour and ornament are used in the symbolism of the Christian faith. It explores the history of vestment production up to the present day, covering the practicalities of design, the sourcing of fabrics and the embroiderers themselves.

Excerpt from Ecclesiastical Vestments: Their Development and History In the subdivision of ecclesiology with which this book is concerned, originality, whether of fact or treatment, is practically impossible. This work cannot claim to be more than a compilation, but it can claim to fill a space not exactly occupied by any other book, in that it gives in a brief and convenient form the principal facts connected with vestments and their use throughout the chief sub divisions of the Christian Church it is not, as are almost all other works on the subject, confined to one branch only, or at most to the great Churches of the West and the East, but includes as well the smaller and more isolated communities, and those branches of the Universal Church which have undergone reformation. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at www.forgottenbooks.com This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.
