These are books in the public domain, which means that they are freely accessible and allowed to be distributed; in other words, you don't need to worry if you're looking at something illegal here.

Developing Writing Skills In French Graham Bishop

I find that most books for advanced French learners are either strictly grammatical and drill-based, or focus almost strictly on vocabulary and let grammar skills turn passive. Based on the first three chapters of this book, I have found that its approach to writing might be similar to strategies used in English creative writing courses, which is refreshing from a foreign language textbook.
