Some days are a breeze and others bring you lower than your knees. Written for the high and low days, Just Praises is a collection of short praise stories that warms the heart, uplifts the soul, and magnifies God's wonderful love and care for His children. See God answer before you call, watch Him restore two-fold the financial blessing you gave to someone, and experience His insurance which pays out prior to an accident--all in Just Praises. Be blessed! Sneak Peek Inside! Chapter VI: Heavenly Insurance I "For he shall give his angels charge over thee, to keep thee in all thy ways." Psalm 91:11 Back in 1998, my husband had an appointment in Brooklyn, NY and was proceeding fast on the Jackie Robinson Parkway bound for his destination. As he came into a curve, the concrete wall divider was on his left and a vehicle was on his right. When he cleared the curve, he faced death dead on. Straight ahead was a flatbed tow truck, the kind with the sharp horizontal metal sticking out the rear end. With insufficient space between the tow truck and his vehicle and with the divider to his left and a car to his right, there was no way to go but forward, straight into the end of life as he knew it. Later on my husband said the incident might have only unfolded in seconds but back then it seemed like forever as he faced a sure fire fatality that the collision would have brought. The driver on his right saw what was about to happen and floored it. The one behind realized as well and applied the brakes. A puff of air before impact, my husband swung right into the space made possible just then between the two cars. With a pounding heart and shaking frame, my husband continued on his way, his mind lifting the highest praise to God for the timely salvation He had given to him.
