During a round of Truth or Dare, Abby Miller confesses her crush on Jake Chilson. The only people who know her secret are her friends at the sleepover—and whoever sent her a text message in the middle of the night warning her to stay away from Jake...or else! But Abby isn't going to stay away from Jake, especially not after he asks her to the school dance. As the night of the dance comes closer, some very creepy things start happening to Abby. Someone definitely wants to keep her away from Jake. Is it a jealous classmate or, as Abby begins to suspect, could it be a ghost?

From the award-winning author of The Turnout and Give Me Your Hand: the searing novel of friendship and betrayal that inspired the USA Network series, praised by Gillian Flynn as "Lord of the Flies set in a high-school cheerleading squad...Tense, dark, and beautifully written." Addy Hanlon has always been Beth Cassidy's best friend and trusted lieutenant. Beth calls the shots and Addy carries them out, a long-established order of things that has brought them to the pinnacle of their high-school careers. Now they're seniors who rule the intensely competitive cheer squad, feared and followed by the other girls -- until the young new coach arrives. Cool and commanding, an emissary from the adult world just beyond their reach, Coach Colette French draws Addy and the other cheerleaders into her life. Only Beth, unsettled by the new regime, remains outside Coach's golden circle, waging a subtle but vicious campaign to regain her position as "top girl" -- both with the team and with Addy herself. Then a suicide focuses a police investigation on Coach and her squad. After the first wave of shock and grief, Addy tries to uncover the truth behind the death -- and learns that the boundary between loyalty and love can be dangerous terrain. The raw passions of girlhood are brought to life in this taut, unflinching exploration of friendship, ambition, and power. Award-winning novelist Megan Abbott, writing with what Tom Perrotta has hailed as "total authority and an almost desperate intensity," provides a harrowing glimpse into the dark heart of the all-American girl.

Lucy Fairchild's father has found her the perfect man. Actually it's more like a merger, and Lucy wants no part of it. She'll choose her own husband-someday. Construction company owner Jake Dalton has spent his entire life trying to prove that he's not a failure. He insists the whistling men on his crew were only complimenting her, but she won't listen. Their argument escalates into a dare for a date-and the game is on. But the heart isn't above playing dirty. In their quest to prove something, genuine feelings emerge. And suddenly all the rules have changed.

Michael, Twenty years ago, I spent our wedding night alone and was given a letter outlining the day and time of our divorce. Now it's our daughter's wedding day, and your smile tells me you're here for more than to walk her down the aisle. When we met, it was the summer of Shania Twain, the color of Mocha Iced lipstick, Sand & Sable perfume, and the summer I became a seventeen-year-old mother. But time has changed me. So tell me, why are you back? Jill

Truth or dare... When Lacey Garrity finds her groom in flagrante delicto in the reception hall closet with her bridesmaid, she's saved by her best friend's older brother—childhood tormentor, crush, and boxing bad boy Galen Thomas. Galen's solution is both exciting and dangerous. What better way to forget the mess of her life than go on her honeymoon with a hot guy who can't promise anything beyond today? ...or TKO? Galen had been counting on Lacey's wedding to put her out of reach—and out of his mind—once and for all, but their steamy Puerto Rican escape is testing all his boundaries. Now that Lacey's embracing her inner bad girl, Galen is tempted to throw in the towel and claim her for himself. But with the biggest fight of his career on the line and an important business merger threatening to derail Lacey's resolve, their romance might be down for the count before it even begins.
