In Corporate Branding in Facebook Fan Pages: Ideas for Improving Your Brand Value, the authors show how companies can improve their brand value by fostering their online corporate reputation.

Communication actions on Facebook fan pages are an important tool on the road to reputation.

Considering that reputation is essentially the long-term image of a brand, the book suggests strategies for improving this image in the short term by nurturing engagement with consumers. Word of mouth (WOM) is an important tool for creating and replicating the image of a trustworthy company, and these repeated images can result in a solid reputation or increased brand value. Also addressed is how company ' s strategies influence this process, and how online communication benefits from the integration of the manager ' s vision with communication policies.

In order to create your Facebook Fan Page, you will need a Facebook account. Create one at <http://www.Facebook.com> If you already have an account, log in to your main page and click on " Create A Page " , or visit <http://www.Facebook.com/pages> to begin. The first screen that you ' ll see will give you the option of choosing the type of Fan Page you wish to create. On this page, you ' ll see that Facebook categorizes Fan Page in 6 different groups, including: Local Business or PlaceCompany, Organization or InstitutionBrand or ProductArtist, Band or Public FigureEntertainmentCause or Community Depending on what your Fan Page will be about, you want to choose a category that best represents your focus and overall topic. In my case, I am creating a new Fan Page around my upcoming, www.WhiteLabelReports.com PLR membership program, and so I choose " Brand or Product " . Note: Sometimes your fan page may very well fit into multiple categories, however Facebook only allows you to choose one type of Fan Page. Since there are no limits on the number of Fan Pages you can have within your account, just create multiple pages and direct link them to your main one!
