The general definition of the public sector includes government ownership or control rather than mere function and thereby includes, for example, the exercise of public authority or the implementation of public policy.

Public sector | economics | Britannica

Providing equality in education whereby the government ensures that the public schools offer a high quality of knowledge to the learners. The private school has always given competition to public school by acquiring high grades in their examinations thus attracting more investors in their business compared to the public (Horn and Paslov, 2014).

Role of Government in Education

The concept of going public involves the president delivering a major television address in the hope that Americans watching the address will be compelled to contact their House and Senate member and that such public pressure will result in the legislators supporting the president on a major piece of legislation. Technological advances have made it more efficient for presidents to take their messages directly to the people than was the case before mass media.
