A-Z of Crystals and Minerals. The information in this A-Z has come from regular and ongoing research into what crystals are doing NOW. Most crystal books were written in the 70s or 80s (Melody, Hall) so are correct for that time. However, given the amount of electro-magnetic energy we now have in our atmosphere (think mobile phones & satellites!), crystals are absorbing that energy and their frequencies are changing..... therefore, what they do is also changing.

This 2nd updated edition is based on new findings in mineralogy and new experiences and research results in the field of gem therapy, including information for an additional 125 crystals not present in the 1st edition, some of which that have been discovered in recent years. With Healing Crystals Michael Gienger presents a comprehensive directory of all the gemstones currently in use in crystal healing. Clear, concise and precise in style, with photographs of each of the crystals accompanying the text, he describes the characteristics and healing functions of each crystal.

Legendary healer Diane Stein shares her extensive knowledge of gemstones in this concise agate-to-zircon reference. Each listing includes the stone's common name, its corresponding color and chakra, and a concise resume of its healing properties. Stein suggests ways to use stones to support physical and psychic well-being, by simply carrying one in a hand or pocket, wearing it as jewelry, or engaging in more advanced practices like the "laying on of stones." She also presents a glossary of terms designed for beginning students of metaphysical healing practices, and teaches how to clear, dedicate, and maintain crystals to maximize their beneficial effects. A quick reference to 550 gemstones and crystals (including many that are new to the marketplace), and their special healing properties and most helpful applications. Includes diagrams of the Kundalini (physical) and Hara Line (emotional) chakra healing systems for simplified cross-referencing with the stones. Diane Stein's books have sold more than half a million copies and are available in six languages.

The definitive resource for working with powerful crystals! Sparkling, luminous, and colorful, it is no wonder crystals have always been regarded as a source of power from ancient times to present day. But with the enormous number of crystals now on the market, it is difficult to choose exactly the right stone. In 101 Power Crystals, internationally renowned crystal expert Judy Hall brings together 101 crystals that are powerful across a wide spectrum of uses and suitable for all types of user. Not all crystals suit everyone, and the selection has been specially chosen to offer alternatives and new possibilities that may not have been thought of before. This distinctive collection includes high vibration crystals that experienced crystal practitioners will want to explore as well as those with earthier vibrations that are suited to beginners or those developing their sensitivities. It also features some rare and recently discovered crystals and stones that have not been included in any other volume, such as Aurora Quartz, Que Sera, Trigon Quartz, and Preseli Bluestone. Each entry covers the history, mythology, and symbolism of the crystal in addition to its healing properties and environmental effects. There are crystals and stones for love, health, protection, abundance, and many other powers.

The essential prerequisite for working with crystals successfully is to understand the most effective methods for cleansing, purifying, and recharging them, as thoroughly discussed and evaluated in this conveniently sized guidebook. Users of crystals for their healing energies will learn how their tools become impure and corrupted as well as how to adequately purify them from foreign energies and information. The instructions are demonstrated through a complete cleansing ceremony that can be used on all crystals, including jewelry. Other topics covered include the external cleaning of jewelry for purely aesthetic purposes and the correct application of crystals for cleansing rooms.
