Stephan Bigelow integrating candlestick charting with pivot point analysis. Now, in *Candlestick and Pivot Point Trading Triggers*, he goes a step further and shows you how to devise your own setups and triggers—in the stock, forex, and futures markets—based on a moving average approach. Note: Website and other supplementary materials are not included as part of eBook file.

Candlesticks are one of the most widely used technical tools in trading. Designed to provide detailed, at-a-glance information, these charts are integrated into almost every web site and charting software solution. But, despite their popularity, the definitions of these candlestick patterns are often vague and misleading. Now, for the first time ever, Steve Palmquist hands you the secrets for effectively using candlestick patterns in all market conditions. Data that would take
