Hip hop music - Wikipedia

Hip hop is a lifestyle that includes its own language, music, and fashion, as well as dance. Some people might tell you that hip hop dancing is simply moving to hip hop music. However, as a dance style, hip hop is anything but simple. Hip hop dancers frequently engage in friendly battles or informal dance competitions.

Hip Hop Dance: Basic Moves and Elements - LiveAbout

Hip hop or hip-hop is a culture and art movement that was created by African Americans, Latino Americans and Caribbean Americans in the Bronx, New York City. The origin of the name is often disputed. It is also argued as to whether hip hop started in the South or West Bronx.

Finally, the authors theorize about how the use of the urr variable by hip-hop artists correlates with its increased usage in present-day local communities. They employ notions of indexicality, meaning making, acts of identity, and accommodation to argue for linguistic convergence between St. Louis rappers and local communities.
