"Through her painstaking examination of major legislation, Alice Kessler-Harris creates a framework for understanding not only the past but also the struggles women face today." The Women's Review of Books "In Pursuit of Equity is a sensitive and illuminating exploration of the manifold ways in which gendered habits of mind shape social action. It is a contribution not just to the history of the past but to the history of the future."

In Pursuit of Equity: Women, Men and the Quest for ...

Women in the pursuit of equity. In a nation like India, where women are close to half of the demography, if women cannot realise their fullest potential, significant innovations, economic growth, and job creation are at stake. The Indian economy grew steadily over the past decade, and there has been an aligned surge in the number of startups and new businesses.

In Pursuit of Equity on Apple Books

"No one has yet done what Alice Kessler-Harris has in her newest book In Pursuit of Equity, reaching beyond [T.H.] Marshall and his critics to suggest a new concept, economic citizenship. In this history of how women have been treated in employment, tax, and welfare policy, Kessler-Harris--arguably the leading historian of women's labor in the United States--synthesizes several decades of feminist analysis to produce a holistic conception of what full citizenship for women might entail.

Citizenship in 20th-Century America. Alice Kessler-Harris.

Description. In this volume, Alice Kessler-Harris explores the transformation of some of the United States' most significant social policies. Tracing changing ideals of fairness from the 1920s to the 1970s, she shows how a deeply embedded set of beliefs, or "gendered imagination" shaped seemingly neutral social legislation to limit the freedom and equality of women.
