through interesting
step by step projects.

Woodblock printing
is an ancient art form,
which produces
beautiful, subtle and
lively pieces with just
a few simple
materials. This book
introduces the art,
and shares technical
information and ideas
for those with more

Download Free Japanese

experience. A wide range of exciting examples of printed woodcuts are shown along with advice on materials and tools, and a step-by-step guide to sharpening. Techniques to achieve quality prints and perfect registration are covered too. Drawing on the vibrant living

Download Free Japanese

Traditions from China and Japan, it is both a technical guide and an inspiration.

Beautifully illustrated with 160 colour photographs.

Japanese woodblock printing is a beautiful art that traces its roots back to the eighth century. It uses a unique system of

Download Free Japanese

registration, cutting
and printing. This
practical book
explains the process
from design drawing
to finished print, and
then introduces more
advanced printing
and carving
techniques, plus
advice on editioning
your prints and their
aftercare, tool care
and sharpening.

Download Free Japanese

Supported by nearly
200 colour
photographs, this
new book advises on
how to develop your
ideas, turning them
into sketches and a
finished design
drawing, then how to
break an image into
the various blocks
needed to make a
print. It also explains
how to use a tracing

Download Free Japanese

paper transfer
method to take your
design from drawing
to woodblock and,
finally, explains the
traditional systems of
registration, cutting
and printing that
define an authentic
Japanese woodblock.

"This Dover edition,
first published in
2011, is an
