The second Novel written by an Indian Author Karan Bajaj "Johnny Gone Down" about an Ivy League scholar. This is one story which goes to the depth of human psyche.

Johnny Gone Down - Karan Bajaj | #1 Bestselling Author

Karan Bajaj's first book, "Keep of the grass" was a funny take on an Indian guy, born in the USA, who comes down to IIM to sort of, go back to his roots. Its was filled with cultural satire, humor and pieces of wisdom, small pieces, but pieces mind you. Johnny Gone Down, however was a bitter disappointment.

Karan Bajaj is the author of *Keep Off the Grass*, which has been on bestseller lists in India since its release in 2008. The book was a semifinalist for the Amazon Breakthrough Novel Award and was shortlisted for the Indiaplaza Golden Quill Award, among other honours. *Johnny Gone Down* is his second novel.

Buy Johnny Gone Down Book Online at Low Prices in India ...

I also managed to read Karan Bajaj's *Johnny Gone Down*, his second novel -- in one night! I must say, HarperCollins selling this book at 99 bucks (Rupees, in India) is a superb idea. If you can do it with this book, why not with all others -- it will end piracy once and for all! The book itself is ok, though remarkable for the story.

Nikhil Arya has fallen. Once, he was an Ivy League scholar with a promising future at NASA; now, at forty, he is broke, homeless, and minutes away from blowing his brains out in a diabolical modern-day joust. It wasn't meant to be this way. An innocent vacation turned into an epic intercontinental journey that saw Nikhil become first a genocide survivor, then a Buddhist monk, a drug lord, a homeless accountant, a software mogul and a deadly game fighter. Now, twenty years later, Nikhil aka Johnny is tired of running. With the Colombian mafia on his trail and his abandoned wife and son ten thousand miles away, he prepares for his final act, aware that he will have lost even if he wins. Or will he? Is there any greater victory than living a life that knows no limits, a world that has seen no boundaries? From the bestselling author of *Keep Off the Grass* comes the once-in-a-lifetime story of an ordinary man fighting an extraordinary destiny. Can he pick up the pieces one last time or will Nikhil, now Johnny, go down for good?

"A beautifully rendered epic journey The novel works on many levels and excels at them all." --New York Journal of Books In this captivating and surprising novel of spiritual discovery—a No. 1 bestseller in India—a young American travels to India and finds himself tested physically, emotionally, and spiritually. Max Pzoras is the poster child for the American Dream. The child of Greek immigrants who grew up in a dangerous New York housing project, he triumphed over his upbringing and became a successful Wall Street analyst. Yet on the frigid December night he's involved in a violent street scuffle, Max begins to confront questions about suffering and mortality that have dogged him since his mother's death. His search takes him to the farthest reaches of India, where he encounters a mysterious night market, almost freezes to death on a hike up the Himalayas, and finds himself in an ashram in a drought-stricken village in South India. As Max seeks answers to questions that have bedeviled him—can yogis walk on water and live for 200 years without aging? Can a flesh-and-blood man ever achieve nirvana?—he struggles to overcome his skepticism and the pull of family tugging him home. In an ultimate bid for answers, he embarks on a dangerous solitary meditation in a freezing Himalayan cave,

where his physical and spiritual endurance is put to its most extreme test. By turns a gripping adventure story and a journey of tremendous inner transformation, *The Yoga of Max's Discontent* is a contemporary take on man's classic quest for transcendence.

Nikhil Arya has fallen. Once, he was an Ivy League scholar with a promising future at NASA; now, at forty, he is broke, homeless, and minutes away from blowing his brains out in a diabolical modern-day joust. It wasn't meant to be this way. An innocent vacation turned into an epic intercontinental journey that saw Nikhil become first a genocide survivor, then a Buddhist monk, a drug lord, a homeless accountant, a software mogul and a deadly gamefighter. Now, twenty years later, Nikhil aka Johnny is tired of running. With the Colombian mafia on his trail and his abandoned wife and son ten thousand miles away, he prepares for his final act, aware that he will have lost even if he wins. Or will he? Is there any greater victory than living a life that knows no limits, a world that has seen no boundaries? From the bestselling author of *Keep Off the Grass* comes the once-in-a-lifetime story of an ordinary man fighting an extraordinary destiny. Can he pick up the pieces one last time or will Nikhil, now Johnny, go down for good? A taut gripping saga with the manic pace of an action film -> Samrat Chowdhury, *Hindustan Times* A stunning adventure of the spirit.....you will feel the absolute wonder of a life fully lived. One of the most exciting voices in Indian literature in years -> Ben Rekhi, International Award Winning Director of *Waterborne*.

What do you do when you are a twenty-five-year-old Yale graduate making half-a-million dollars a year as a hotshot investment banker on Wall Street? You bust your ass and become a millionaire by thirty, of course. Not if you are Samrat Ratan, born in the USA to immigrant Indian parents; you quit and enrol in business school in India instead. Samrat's rollercoaster journey begins at the Indian Institute of Management (IIM) in Bangalore, where he spends his time getting high on marijuana while his grades - and self-confidence - plummet. Soon, Samrat's quest for identity turns increasingly bizarre as it takes him places he hadn't planned on visiting - prison, for example - and makes him do things he hadn't banked on doing: 'meditating' stoned with a sexy Danish hippie in the Himalayas, hanging out with a cannibal on the banks of the Ganga, and peddling soap to the formidable Raja Bhaiya in Benares. Does Samrat - Yale valedictorian, investment banker, convict, pothead - survive his fall from grace?

Can a man walk on water? Can he see the future? Can he read people's minds? One man will find answers that challenge all his rational beliefs. After a deep personal loss, Maximus Pzoras, Harvard economist and Wall Street banker, sets out on a quest to find the cause of human pain and suffering. His journey takes him from New York to a hidden ashram in south India to a drought-stricken village to a freezing cave high in the Himalayas. And as he goes from cubicle dweller to cave dwelling yogi, he starts to develop extraordinary powers. But will Max, investment banker turned Himalayan sage, find the answers to the questions that led him to India? *The Seeker* is both a gripping adventure and a story of a man's tremendous inner transformation, a Siddhartha for our generation.

"A beautifully rendered epic journey The novel works on many levels and excels at them all." -New York Journal of Books In this captivating and surprising novel of spiritual discovery—a No. 1 bestseller in India—a young American travels to India and finds himself tested physically, emotionally, and spiritually. Max Pzoras is the poster child for the American Dream. The child of Greek immigrants who grew up in a dangerous New York housing project, he triumphed over his upbringing and became a successful Wall Street analyst. The tomb of Rozabal in Kashmir has contained the body of a great saint called Yuz Asaf since 112 A.D. But who was Yuz Asaf and what secret does the ancient tomb contain? Father Vincent Morgan is unwittingly sucked into the Rozabal tornado when flashes of his own previous lifetimes reveal some uncomfortable truths about the life and death of Jesus Christ. Vincent is soon caught in the crossfire between the Osama-bin-Laden inspired warriors of Islam, led by Ghalib-bin-Isar, and the fundamentalists of the *Crux Decussata Permuta*. The secret held securely within Rozabal for two millennia threatens to upset the world's balance of power. Zipping around the world caught up in a whirlwind of events, people, religion and time, from Jesus to Muhammad; from the Crusades to 9/11; from the Vatican to the White House; from *Skull & Bones* to the *Illuminati*; from Buddhist meditation to past-life regression; from the Virgin birth to nuclear destruction; and from Mary Magdalene to Osama-bin-Laden; *The Rozabal Line* has it all.

Aviators are passionate about aviation. Once you get the bug you are addicted for life and there is no need, or desire, to search for a cure. It is that passion and addiction that gives you the determination, perseverance, and motivation to pursue a career in aviation. This is the story of one such aviator who discovered his passion for flying as a young boy. Then, as a young adult, embarked on a journey to pursue and achieve his dream of becoming a pilot. This dream took him from Venezuela to

Singapore, to Macao and Hong Kong, and everywhere in between. His journey offers those aspiring to become aviators a glimpse into the fascinating world of corporate aviation. For those individuals already following their own journeys in aviation this book offers them a chance to see the remarkable journey of one of their own.

An anthology prepared in tribute to the career of Jack Vance features original tales inspired by *The Dying Earth* and includes contributions by such genre masters as Neil Gaiman, Tanith Lee and Robert Silverberg. Reprint.

"If you want to understand the strange workings of the human body, and the future of medicine, you must read this illuminating, engaging book." –Siddhartha Mukherjee, author of *The Gene* In 2014, James Hamblin launched a series of videos for *The Atlantic* called "If Our Bodies Could Talk." With it, the doctor-turned-journalist established himself as a seriously entertaining authority in the field of health. Now, in illuminating and genuinely funny prose, Hamblin explores the human stories behind health questions that never seem to go away—and which tend to be mischaracterized and oversimplified by marketing and news media. He covers topics such as sleep, aging, diet, and much more: • Can I "boost" my immune system? • Does caffeine make me live longer? • Do we still not know if cell phones cause cancer? • How much sleep do I actually need? • Is there any harm in taking a multivitamin? • Is life long enough? In considering these questions, Hamblin draws from his own medical training as well from hundreds of interviews with distinguished scientists and medical practitioners. He translates the (traditionally boring) textbook of human anatomy and physiology into accessible, engaging, socially contextualized, up-to-the-moment answers. They offer clarity, examine the limits of our certainty, and ultimately help readers worry less about things that don't really matter. *If Our Bodies Could Talk* is a comprehensive, illustrated guide that entertains and educates in equal doses.
