For mothers who are reeling from the rockiness of an ever-changing adolescent, or struggling with a relationship that's deteriorating by the day, here is encouragement, reassurance, and great advice. "I'm Not Mad, I Just Hate You!" discusses the social, emotional, cultural, and psychological issues that can lead to mother-daughter conflicts. It offers illuminating and very recognizable case studies, and demonstrates how mother-daughter friction during adolescence can actually empower girls by teaching them invaluable skills. By providing mothers with much-needed encouragement and practical strategies to help their daughters grow into emotionally healthy and capable adults, "I'm Not Mad, I Just Hate You!" can transform the tempestuous teenage years into years of positive, enriching growth.

The complex, deeply binding relationship between mothers and daughters is brought vividly to life in Katie Hafner's remarkable memoir, an exploration of the year she and her mother, Helen, spent working through, and triumphing over, a lifetime of unresolved emotions. Dreaming of a "year in Provence" with her mother, Katie urges Helen to move to San Francisco to live with her and Zoë, Katie's teenage

daughter. Katie and Zoë had become a mother-daughter team, strong enough, Katie thought, to absorb the arrival of a seventy-seven-year-old woman set in her ways. Filled with fairy-tale hope that she and her mother would become friends, and that Helen would grow close to her exceptional granddaughter, Katie embarked on an experiment in intergenerational living that she would soon discover was filled with land mines: memories of her parents' painful divorce, of her mother's drinking, of dislocating moves back and forth across the country, and of Katie's own widowhood and bumpy recovery. Helen, for her part, was also holding difficult issues at bay. How these three women from such different generations learn to navigate their challenging, turbulent, and ultimately healing journey together makes for riveting reading. By turns heartbreaking and funny—and always insightful—Katie Hafner's brave and loving book answers questions about the universal truths of family that are central to the lives of so many. Praise for *Mother Daughter Me* “The most raw, honest and engaging memoir I've read in a long time.”—KJ Dell'Antonia, *The New York Times* “A brilliant, funny, poignant, and wrenching story of three generations under one roof, unlike anything I have ever read.”—Abraham Verghese, author of *Cutting for Stone* “Weaving past with present, anecdote with analysis, [Katie] Hafner's riveting account of multigenerational living and mother-daughter frictions, of love and forgiveness, is devoid of self-pity and unafraid of self-blame. . . . [Hafner is] a bright—and appealing—heroine.”—Cathi Hanauer, *Elle* “[A] frank and searching account . . . Currents of grief, guilt, longing and forgiveness flow through the compelling narrative.”—Steven Winn, *San Francisco Chronicle* “A touching saga that shines . . . We see how years-old unresolved emotions manifest.”—Lindsay Deutsch, *USA Today* “[Hafner's] memoir shines a light on nurturing deficits repeated through generations and will lead many readers to relive their own struggles with forgiveness.”—Erica Jong, *People* “An unusually graceful story, one that balances honesty and tact . . . Hafner narrates the events so adeptly that they feel enlightening.”—Harper's “Heartbreakingly honest, yet not without hope and flashes of wry humor.”—Kirkus Reviews “[An] emotionally raw memoir examining the delicate, inevitable shift from dependence to independence and back again.”—O: *The Oprah Magazine* (Ten Titles to Pick Up Now) “Scrap any romantic ideas about what goes on when a 40-something woman invites her mother to live with her and her teenage daughter for a year. As Hafner hilariously and touchingly tells it, being the center of a family sandwich is, well, complicated.”—Parade

Mothers and daughters share, and want, a bond for life—one that can remain positive and grow stronger with each passing year. Sil and Eliza Reynolds have designed a set of tools to assist you in nurturing that bond. If you're locked in a clash of wills or fear the prospect of getting into one, with *Mothering and Daughtering* you can learn how to build the foundation for a deep and lasting relationship that is a source of support, joy, and love throughout your lives. Offering you two breakthrough guides in one, *Mothering and Daughtering* was created to help you find and protect the unique treasure that is your relationship. For moms, Sil addresses the central task of stopping the cycle of separation and anxiety that plagues so many, drawing on her clinical expertise to nurture the skills of listening, boundary setting, mirroring, containing, and more. Turn the book over, and Eliza shares empowering advice to teens looking to keep it real with Mom while also finding strength in their own intuition, friendships, and dreams. Packed with practical exercises, activities, and lifesaving insights gleaned from Sil and Eliza's workshops, *Mothering and Daughtering* explores these essential topics and more: Your best friend known as your intuition Navigating the treacherous territories of comparison, performance, and perfectionism Dispelling the rejection myth Sex, positive discipline, and how to prevent a technological take-over Winning the body love battle Healing your emotional legacy Humor, truth, trust, and love—instead of trying to be perfect Repairing ruptures and getting to the bottom of misunderstandings Locating your fundamental bond that always connects you beneath your daily squabbles “No one, nowhere, connects just like you,” write Sil and Eliza. Whether you are already thriving in your relationship or merely surviving, *Mothering and Daughtering* is an indispensable resource to honor and strengthen that one-of-a-kind connection through the years ahead.

Acclaimed author Heather Vogel Frederick will delight daughters of all ages in a novel about the fabulousness of fiction, family, and friendship. The book club is about to get a makeover.... Even if Megan would rather be at the mall, Cassidy is late for hockey practice, Emma's already read every book in existence, and Jess is missing her mother too much to care, the new book club is scheduled to meet every month. But what begins as a mom-imposed ritual of reading *Little Women* soon helps four unlikely friends navigate the drama of middle school. From stolen journals, to secret crushes, to a fashion-fiasco first dance, the girls are up to their Wellie boots in drama. They can't help but wonder: What would Jo March do?

Meet the Mitchells: Joyce, a New Englander with time-honored ideas about family, work, and childbearing. And Elizabeth, a young woman who makes unconventional choices about where to live, ways to support herself, and how to give birth. A mother and daughter, half a world apart, who stay connected by writing letters -- intimate, honest, loving letters. Through their letters, you will enter the worlds of two fascinating women. Visit Elizabeth's home in an idyllic corner of New Zealand. Join Joyce's whirlwind life in New York City and Vermont. Share their joy, their excitement -- and their anxious moments -- as they await the birth of Elizabeth's first child, Joyce's first grandchild. From Elizabeth's announcement, I have a new love, to the tense hours leading up to her baby's birth, these letters will captivate you.

She befriended the one woman she was never supposed to meet. Now she's the key suspect in her disappearance. For fans of *The Perfect Mother* and *The Wife Between Us* comes a gripping psychological suspense debut about two strangers, one incredible connection, and the steep price of obsession. Lana Stone has never considered herself a stalker--until the night she impulsively follows a familiar face through the streets of New York's Upper West Side. Her target? The "anonymous" egg donor she'd selected through an agency, the one who's making motherhood possible for her. Hungry to learn more about her, Lana plans only to watch her from a distance. But when circumstances bring them face-to-face, an unexpected friendship is born. Katya, a student at Columbia, is the yin to Lana's yang, an impulsive free spirit who lives life at the edge. And for pragmatic Lana, she's a breath of fresh air and a welcome distraction from her painful breakup with her baby's father. Then, just as suddenly as Katya entered Lana's life, she disappears--and Lana might have been the last person to see her before she went missing. Determined to find out what became of the woman to whom she owes so much, Lana digs into Katya's past, even as the police grow suspicious of her motives. But she's unprepared for the secrets she unearths, and their power to change everything she thought she knew about those she loves best...
