A new world of creative possibilities is opened by Blender, the most popular and powerful open source 3D and animation tool. Blender is not just free software; it is also an important professional tool used in animated shorts, television commercials, and shows, as well as in production for films like Spiderman 2. Lance Flavell's Beginning Blender will give you the skills to start shaping new worlds and virtual characters, and perhaps lead you down a new professional path. Beginning Blender covers the Blender 2.5 release in-depth. The book starts with the creation of simple figures using basic modeling and sculpting. It then teaches you how to bridge from modeling to animation, and from scene setup to texture creation and rendering, lighting, rigging, and ultimately, full animation. You will create and mix your own movie scenes, and you will even learn the basics of games logic and how to deal with games physics. Whether you are new to modeling, animation, and game design, or whether you are simply new to Blender, this book will show you everything you need to know to get your 3D projects underway.

With straightforward recipes you can trust from Mary Berry, the beloved judge of The Great British Baking Show, Fast Cakes is a must-have for all busy bakers. Fast Cakes is a definitive baking book from the queen of baking, Mary Berry. Mary has incorporated her all-in-one method of preparation into as many recipes as possible, so her recipes are now faster to make than ever--nearly 100 of the bakes take only ten minutes to make. There are scones, buns, cookies, bars, and breads perfect for any school or family party and, of course, fool-proof cakes for any occasion, from Honey & Almond Cake to Mary's First-Rate Chocolate Cake. Fast Cakes also includes many recipes perfect to make with kids, including Happy Face Cookies, Traffic Lights, and Jammy Buns. If you miss Mary's wisdom and inspiration from The Great British Baking Show, or simply want a brand-new companion to Mary Berry's Baking Bible, this is the cookbook for you, with more than 150 easy recipes to make with confidence.

An instruction manual for the Kenwood pressure cooker PC400, which includes a cooking guide.
