**Life in the Fast Lane By: Jim Burton** Author Jim Burton has lived his life in the fast lane. This book is a few entertaining and humorous short stories from his life. He was recruited by the mafia and worked with them for years. He became one of the largest art dealers in the country. He made millions on insider trading and lost it all on Black Tuesday. While he was in the business, Burton became friends with John Gotti. He did foreign currency deals with stolen money from the Vatican. In Argentina, the Feds put him in an underground prison and took 12 million dollars for his release. He became one of the largest cocaine dealers on Long Island for ten years and never got caught due to family ties. The law set him up and planted things to put Burton away. He was put in jail for years without a break or trial and he still beat them. Only the law can break the law.

In 1972, one of America's most beloved theme parks swung open its gates for the first time. Kings Island was the latest in the post-Disneyland boom, and it was big, beautiful, and instantly successful. Who could forget their first sight of the magnificent Eiffel Tower after passing through the turnstiles? Or the colorful flags flying proudly over the Royal Fountain? Now nearly fifty years later, the park is as amazing and grand as ever. Read the story behind this magical playground and how it has changed over time. Filled with personal recollections of park officials who were there, Kings Island: A Ride Through Time offers a first-hand account that is as fascinating as the attractions we've loved all our lives.

Meandering Melodies will take you back to the 60's, 70's, and 80's and share what it was like to be a part of a neighborhood in Carroll County located in Delphi, Indiana, that had lots of children, a simple way of life, what we did for fun and what it was like to be part of a "Plain People" growing up among other "Plain People." Meandering Melodies will also share what life is like among the "Plain People" today in 2013 in Carroll County.Expect to be delighted, thrilled, and encouraged as we not only take a walk down memory lane together but also explore living life "out of the fast lane" in today's world. Experiences that will at times make you laugh and cry as we learn together how simple joys of yesterday and simple joys of today can create a symphony that lasts a lifetime! Most of us can remember a time when life was not so busy. A simpler time when we enjoyed a visit with a neighbor or a walk in the park. . . . A time when we had no concern about being a certain place at a certain time doing certain things... A time when fast food was not really all that fast and the computer age had barely begun. . . . A time when life was busy but did not seem hectic or fast-paced. . . . Sometimes we even look back with nostalgic longing and wish to return to times like this. Times when we'd like to get "out of the fast lane..." Today finds many people living life in the fast lane where life is in constant motion and meticulous plans are made to ensure their success in the modern world. There is always some place to go and people to meet. Yet they are intrigued by certain lifestyles and fascinated by those who seem to manage living a simple life "out of the fast lane."In the past few years many books have been written and movies made showcasing the Amish, Mennonites, and other Plain People and their simple lifestyles.People wonder about the differences. People wonder what their lifestyle is really like. People wonder what it is like to be a part of a plain church and plain people. They have all sorts of questions about what it is like not to have cars, or telephones, or electricity. They wonder why they dress the way they do and do the things they do. They wonder how people can live like this?!! It seems to them that life is lived "out of the fast lane" among Plain People. Or is this only an illusion? I grew up among Plain People on a farm in Carroll County nestled between two hills. Bachelor Run flowed merrily through our farm forming the southern boundary of our property. Folks called the road at the top of the south hill the Crooked Road. It went straight for several miles out of Delphi, then made a sharp curve, and after several more curves, you ended up in Flora. Our house was in the valley below this first curve. This first curve was a notorious place for wrecks; which I shall write more about later!My Dad built our house against the bank of the north hill. At the very top of the north hill was a very old cemetery called the Nettle Cemetery. I don't recall anyone ever being buried there. I also don't recall ever playing there. I do remember mowing the grass along the fence that separated our property. One of my favorite spots, my very own idyllic hide-a-way, was close to this fence. I went there often to think and write and lay in the grass on beautiful summer days.Most of our neighbors were members of what we called the Horse-and-Buggy Church. Their official name was Old Brethren German Baptist. They used to be a part of our fellowship before they split off from the Old German Baptist Brethren in 1921 as a result of differences about cars, electricity, and telephones.When was the last time you experienced life "out of the fast lane?"

In this bouquet of poems I present to you my humble thoughts in simple words on a variety of topics. I have sung about the beauty of love. I have tried to let you hear the sighs and sobs in silence of struggling and suffering people. I have expressed my concerns about our planet and the need to keep it clean and green. I have written about the bond between God and man and his despair despite the prayers he raises. I have also shown the dark side of humanity wondering how man can oppress, exploit, enslave and kill others and sadly, try to justify it. Here, you can hear the muffled, dying cries of a new born girl child. Some songs are my thoughts that loved to wander far on the wide wings of the flying wind. Through most of the poems on social

themes I am appealing to the conscience of the people to abandon violence particularly against women, children and the weak and to build a beautiful world of peace and love. May the humorous poems bring a smile on your face and laughter in your soul. Hope you will enjoy reading the book.

After three years, Maren Summers is elated to finally have her dream wedding to her dream man, Kevin Bryant. In her sights is the promotion to weddings she's worked so hard for at the newspaper. Happily ever after is within her grasp... Until Kevin jilts her at the altar, elopes with another woman, and becomes her boss. Devastated by the twisted turn of events Maren moves in with her best friend and notices the not-so-homeless guy on the corner, Zane Whitfield. As his heart-wrenching tale unfolds-his vow to wait a year on the corner for his lost love-Maren sees his compassionate human-interest story as her ticket away from Kevin, weddings, and her heartache. But as the New Year approaches, is Maren headed for heartache again when Zane's lost love returns or has time changed more than one heart?

Killian knows all about vampires and aliens. They're not real. But when a handsome swimmer climbs into her storm-tossed boat an hour from her summer destination, the worlds of fantasy and reality suddenly collide... Cuttylea Island has no mall, no social scene, and no action. But it does have a mysterious stone tower, ageless islanders, and a secret as astonishing as a mermaid's tale... Before the summer is through, Killian will find the truth of her family's past...and the role she is destined to play in a centuries-old curse.

OFF THE GRID WITHOUT A PADDLE is the true story of two greenhorns, escapees from the gritty City Of Los Angeles, who buy a home off the grid in a tropical mountain rainforest in rural Hawaii, with fantasies of utopia and dreams of self-sufficiency, but no real idea of what they're getting into. In their first year in an unfamiliar new world, the high-tech, low-tech, no-tech learning curve is steep and hilarious: exasperating, exhilarating . . . exciting! Whether or not you share the dream of moving off the grid, you'll get a laugh out of their unexpected adventures.
