A straightforward description of social context is there at every turn; but this book is also more than simple social history, for it is one with a keen eye to the contradictions, the incongruences, and the ironies of these social junctures. The Martyrs Mirror's 1660 publication date, for example, reflects both the cessation of Dutch persecution and the wealth of the seventeenth-century Dutch Golden Age, causing van Bragt to worry that "Satan . . . in pleasing form" (55) was "poison ...
