Problem-solving skills opportunities

The Homework Practice Workbook contains two worksheets for every lesson in the Student Edition. This workbook helps students: - Practice the skills of the lesson, - Use their skills to solve word problems.

From the first day your students begin to learn the vocabulary of algebra until the day they take final exams and standardized tests, these programs strengthen student understanding and provide the tools students need to succeed.

The Practice Workbook mimics the computational and verbal problems in each lesson at an average level providing more challenging problems for students who are moving at a regular or faster pace.
