NIGHT AND DAY jazz guitar improvisation

“Night and Day” is most commonly played in the keys of C, Eb and F major. Our play-along below features the song as a Bossa in the key of C. It should also be noted that we list the first chord as a Dmin7(b5) because it functions like a ii chord in the context of a minor ii-V that resolves to a major chord instead of a minor chord.

Willie Nelson had been bringing jazz elements to his country-pop foundation since the late '50s, so recording an instrumental album that spotlights his guitar playing and illustrates his appreciation of jazz was a logical move. Night and Day isn't a hard bop blowing date; fusing pre-swing jazz with country and pop, Nelson draws on such influences as Django Reinhardt and Stephane Grappelli and favors lyricism that is melodic, straightforward, and uncomplicated.
