A livestock expert shows readers how to raise a pig safely and humanely in one's own backyard, covering such topics as selecting a breed with great flavor, feeding, housing, fencing, health care and humane processing. Original.

Paula Deen meets Erma Bombeck in *The Pioneer Woman Cooks*, Ree Drummond's spirited, homespun cookbook. Drummond colorfully traces her transition from city life to ranch wife through recipes, photos, and pithy commentary based on her popular, award-winning blog, *Confessions of a Pioneer Woman*, and whips up delicious, satisfying meals for cowboys and cowgirls alike made from simple, widely available ingredients. *The Pioneer Woman Cooks*—and with these “Recipes from an Accidental Country Girl,” she pleases the palate and tickles the funny bone at the same time.

'The Book of St John is too witty to be a manifesto, but it is a sturdy invocation of the need for comfort, generosity and ritual at the table. And it is a gurglingly delightful compendium of - quite simply - delicious ideas and stories' Nigella Lawson 'An unutterable joy from the team behind one of the most influential and important restaurants in Britain ... This is much more than a book of recipes, though (glorious as they are). It's also about the importance of the table, of feasting, of friendship, of the white cloth napkin on your knee. And it sings of simple but wonderful pleasures: a bacon sandwich and a glass of cider, a doughnut and a glass of champagne.' Diana Henry, *The Telegraph* 'The Book of St. JOHN, part food gospel, part memoir, part recipe book.' *Observer Food Monthly* Join the inimitable Fergus Henderson and Trevor Gulliver as they welcome you into their world-famous restaurant, inviting you to celebrate 25 years of unforgettable, innovative food. Established in 1994, St. JOHN has become renowned for its simplicity, its respect for quality ingredients and for being a pioneer in zero waste cooking - they strive to use every part of an ingredient, from leftover stale bread for puddings, bones for broths and stocks, to typically unused parts of the animal (such as the tongue) being made the hero of a dish. Recipes include: Braised rabbit, mustard and bacon Ox tongue, carrots and caper sauce Duck fat toast
