“ Crime and Punishment ” is an 1866 novel by Russian author Fyodor Dostoevsky. The narrative concerns the inner anguish of Rodion Raskolnikov, a poor ex-student in Saint Petersburg who conceives a murderous plan to steal from a notorious pawnbroker. However, after the deed is done he deteriorates into a feverish state and begins to fret obsessively. In his delirium, Rodion wanders the streets of the city unknowingly drawing attention to himself and his connection to the crime. A masterpiece that places you into the confused mind of a misguided murderer, Dostoevsky's “ Crime and Punishment ” is a classic of Russian literature not to be missed by any lover of fiction. Mikhailovich Dostoevsky (1821 – 1881) was a Russian novelist, essayist, short story writer, journalist, and philosopher. His literature examines human psychology during the turbulent social, spiritual and political atmosphere of 19th-century Russia, and he is considered one of the greatest psychologists in world literature. A prolific writer, Dostoevsky produced 11 novels, three novellas, 17 short stories and numerous other works. Many vintage books such as this are increasingly scarce and expensive. We are republishing this volume now in an affordable, modern, high-quality edition complete with a specially-commissioned new biography of the author.

I have planned and designed this representative Anthology of Kannada short Stories in English (Fifteen stories). My main objective is to offer the best short

stories in English. The seeds of Kannada short story as a literary form can be traced back to Katha Sarasttisagara, Panchantantra, Jataka tales and great oral folk legends and wonderful tales. Some of the oral and written stories were carried to the West mostly by traders, wanderers, monks and cultural ambassadors. They also carried with them the two greatest epics like Ramayana and Mahabharata, Vedas and Upanishads. The travellers brought back the great stories/epics of the West like Illiad, Odyssey and Biblical stories. With the invention of printing press in Germany in 16th century it became possible to reach out to countries far and wide through the medium of print. The short story as a genre developed steadily over the centuries and it lost its amorphous body and acquired a well defined order, arrangement and form.

The first ethnography to examine the role of urban transformation, caste and language in shaping India's contemporary news culture.

In a comic case of mistaken identity; wildlife photographers Krupakar and Senani were kidnapped one night from their home at the edge of the Bandipur National Park by Veerappan; India ' s ' most dreaded bandit ' . He thought they were important government officials; and his plan was to hold them hostage in return for clemency and a substantial ransom. The bandit and his gang kept the hostages on the move in the forest; and their only contact with the outside world was via an old transistor radio. While Veerappan;who had already killed some 250 people; formulated strategies to force

the government to agree to his demands; his hostages not only got a close look at the plant and animal diversity in the forests of Karnataka and Tamil Nadu; but the intimacy of their life on the run gave them an insight into Veerappan ' s strange mix of cruelty and humanity. Though Krupakar and Senani came from a world that was completely different from that of Veerappan ' s gang; the kidnapped and the kidnapers became closely involved in each other ' s concerns. Birds; Beasts and Bandits is a witty and poignant account of an extraordinary adventure with the notorious poacher and his companions.
