They hike regularly as a family in the Colorado Rockies. Olsson has made it a mission to get her kids unplugged and connected to nature. Ranger Rick Kids' Guide to Hiking includes great photographs, useful tips and enough information to get any kid interested in this fun sport! I am a stickler for safety so I was especially pleased to see a whole chapter dedicated to staying safe while hiking.

If you're like most young anglers, you don't care what kind of fish you catch as long as you get something. After all, while it's fun just to be outside spending time away from home (chores) and school (tests), fishing is the most fun when you catch fish. By reading Ranger Rick Kids' Guide to Fishing, you'll learn great tips for catching all sorts of fish. This book is also filled with little-known fish facts, like: Did you know that some of the fish you catch are older than you? It's true, just check out the fish age charts in this

book! It won't take you long to read this book. That's good, because you'll have more hours for fishing! Bring this book along on your next fishing trip, because somewhere in these pages is the one thing that will make all the difference between going home empty handed and catching the biggest fish of your life.

"Get up, get out, and go fishing! With all the tips and tricks you need to catch the next big one... You'll find information on what kind of tackle to take with you, how to make the fish bite, and all about the different kids of fish you might find."--Back cover.

Volume 1 provides an adventurous look at the crawling, hopping, flying world all around us, inspiring a lifelong love of nature and all of the wildlife that lives within it.

Storytime with Ranger Rick! Good stories do more than entertain--they teach as well. From its first issue back in 1967, Ranger Rick magazine has distinguished itself by publishing hundreds of stories that capture children's imaginations--that teach them about wildlife, about ecology, about all of nature. This volume collects some of the best of those stories about a rich variety of wild animals, from unfamiliar creatures in distant lands to familiar ones in our own
