Following WWII, the authoritarian and morally austere dictatorship of General Francisco Franco's Spain became the playground for millions of carefree tourists from Europe's prosperous democracies. This book chronicles how this helped to strengthen Franco's regime and economic and political standing.

Tourism and the Lodging Sector is a pioneering book, the first text of its kind to examine the lodging sector from a tourism perspective. The book highlights the importance of the lodging sector in tourism as a major income generator and essential part of the travel experience. The book offers an international perspective on topics such as sustainability, security, economic development, technology and globalization. The issues, concepts and management concerns facing this industry are examined, highlighting important topics such as: the place of accommodations in tourism and vice versa the social ecological and economic implications of lodging development management and restructuring issues in a globalizing industry sustainable tourism and the accommodation sector cross-sectoral linkages between lodging, food services, gaming, conferences, and other intermediaries the interaction between supply and demand safety and security in tourism and lodging. Tourism and the Lodging Sector critically examines a wide range of lodging establishments from an industry and social science perspective, drawing parallels and distinctions between the various types of accommodation, from camprgrounds for the cost-conscious or adventurous outdoor traveler, to luxury, five-star resorts, and more innovative accommodation such as tree-house hotels and ecolodges. Essential reading for students of tourism, this book is an indispensable guide, unprecedented in the field of tourism management. Dallen J. Musician, composer, producer: Brian Eno is unique in contemporary music. Best known in recent years for producing U2's sensational albums, Eno began his career as a synthesizer player for Roxy Music. He has since released many solo albums, both rock and ambient, written music for film and television soundtracks, and collaborated with David Bowie, David Byrne, Robert Fripp, and classical and experimental composers. His pioneering ambient sound has been enormously influential, and without him today's rock would have a decidedly different sound. Drawing on Eno's own words to examine his influences and ideas, this book,featuring a new afterword and an updated discography and bibliography,will long remain provocative and definitive.

Comprising clear full-colour maps, this mini atlas covers Spain and Portugal and is ideal for the general motorist.

Covering the period from the fall of the Roman Empire through to the beginnings of the Renaissance, this is an indispensable volume which brings the complex and colourful history of the Middle Ages to life. Key features: \* geographical coverage extends to the broadest definition of Europe from the Atlantic coast to the Russian steppes \* each map approaches a separate issue or series of events in Medieval history, whilst a commentary locates it in its broader context \* as a body, the maps provide a vivid representation of the development of nations, peoples and social structures. With over 140 maps, expert commentaries and an extensive bibliography, this is the essential reference for those who are striving to understand the fundamental issues of this period.

Deals with the period beginning at the close of the Neolithic era, from around the eighth millennium before our era. This period of some 9,000 years of history has been sub-divided into four major geographical zones, following the pattern of African historical research. Chapters 1 to 12 cover the corridor of the Nile, Egypt and Nubia. Chapters 13 to 16 relate to the Ethiopian highlands. Chapters 17 to 20 describe the part of Africa later called the Maghrib and its Saharan hinterland. Chapters 21 to 29, the rest of Africa as well as some of the islands of the Indian Ocean.--Publisher's description
