Written by a local author, this guide is filled to the brim with insider information on everything from the top fishing sites to seasonal festivals and the best places to eat, sleep,

and play.

New Look for Insiders' Guide Series We've rolled-out a new design this year for the highly popular Insiders' Guide series. This acclaimed travel series that has sold more than a million copies boasts a new look, focusing on high-end photography of each book's subject. We've removed all text but the title from the cover, allowing for the cover photo to be the main focus. Each title's spine will feature bright bands of color representing the breadth of travel our readers enjoy, and making for a striking appearance when books in the series are shelved together. Look for this eye-catching redesign at a bookstore near you!

Book one of the New York Times-bestselling All Souls trilogy—"a wonderfully imaginative grown-up fantasy with all the magic of Harry Potter and Twilight" (People). Look for the hit TV series "A Discovery of Witches," streaming on AMC Plus, Sundance Now and Shudder. Season 2 premieres January 9, 2021! Deborah Harkness's sparkling debut, A Discovery of Witches, has brought her into the spotlight and galvanized fans around the world. In this tale of passion and obsession, Diana Bishop, a young scholar and a descendant of witches, discovers a long-lost and enchanted alchemical manuscript, Ashmole 782, deep in Oxford's Bodleian Library. Its reappearance summons a fantastical underworld, which she navigates with her leading man, vampire geneticist Matthew Clairmont. Harkness has created a universe to rival those of Anne Rice, Diana Gabaldon, and Elizabeth Kostova, and she adds a scholar's depth to this riveting tale of magic and suspense. The story continues in book two, Shadow of Night, and concludes with The Book of Life.

The beautiful Central Coast of North Carolina, also known as the Crystal Coast, includes the towns of Beaufort, Morehead City, Atlantic Beach, Emerald Isle, New Bern, Havelock, and more. Wander miles of open beaches, fish in the Gulf Stream, sleep within sight of the water, explore historic districts, shop in charming waterfront communities, raise sails into coastal winds, and dine on the freshest seafood available. Do it all and more in North Carolina's Central Coast and New Bern

Millions of people suffer from debilitating pain and inflammation each and every day. Most treatments focus on relieving or managing the pain instead of locating the cause and eliminating it. This book helps the reader understand what pain is, where it comes from, and most importantly, how to get rid of it. There are six things to fix and six protocols to help correct the imbalances that cause pain and dysfunction. Learn how to balance thyroid levels, fix the gut, revive your metabolism, restore energy levels, improve brain function, and anti-aging. Look younger, feel better, and think clearer, while eliminating the causes of pain that create dysfunction in your body. Allow this book to be your personalized road map to guide you down the road to recovery. The most exciting part is realizing that you may be only a few simple choices away from eliminating chronic debilitating pain and suffering from your life.

The 10th anniversary edition of A New Earth with a new preface by Eckhart Tolle. With his bestselling spiritual guide The Power of Now, Eckhart Tolle inspired millions of readers to discover the freedom and joy of a life lived "in the now." In A New Earth, Tolle expands on these powerful ideas to show how transcending our ego-based state of consciousness is not only essential to personal happiness, but also the key to ending conflict and suffering

Bookmark File PDF Sudden Link Channel Guide

throughout the world. Tolle describes how our attachment to the ego creates the dysfunction that leads to anger, jealousy, and unhappiness, and shows readers how to awaken to a new state of consciousness and follow the path to a truly fulfilling existence. Illuminating, enlightening, and uplifting, *A New Earth* is a profoundly spiritual manifesto for a better way of life—and for building a better world.

“ Annabel Dodd has cogently untangled the wires and switches and technobabble of the telecommunications revolution and explained how the introduction of the word ‘ digital ’ into our legislative and regulatory lexicon will affect consumers, companies and society into the next millennium. ” – United States Senator Edward J. Markey of Massachusetts; Member, U.S. Senate Subcommittee on Communications, Technology, Innovation, and the Internet “ Annabel Dodd has a unique knack for explaining complex technologies in understandable ways. This latest revision of her book covers the rapid changes in the fields of broadband, cellular, and streaming technologies; newly developing 5G networks; and the constant changes happening in both wired and wireless networks. This book is a must-read for anyone who wants to understand the rapidly evolving world of telecommunications in the 21st century! ” – David Mash, Retired Senior Vice President for Innovation, Strategy, and Technology, Berklee College of Music Completely updated for current trends and technologies, *The Essential Guide to Telecommunications, Sixth Edition*, is the world ’ s top-selling, accessible guide to the fast-changing global telecommunications industry. Writing in easy-to-understand language, Dodd demystifies today ’ s most significant technologies, standards, architectures, and trends. She introduces leading providers worldwide, explains where they fit in the marketplace, and reveals their key strategies. New topics covered in this edition include: LTE Advanced and 5G wireless, modern security threats and countermeasures, emerging applications, and breakthrough techniques for building more scalable, manageable networks. Gain a practical understanding of modern cellular, Wi-Fi, Internet, cloud, and carrier technologies Discover how key technical, business, and regulatory innovations are changing the industry See how streaming video, social media, cloud computing, smartphones, and the Internet of Things are transforming networks Explore growing concerns about security and privacy, and review modern strategies for detecting and mitigating network breaches Learn how Software Defined Networks (SDN) and Network Function Virtualization (NFV) add intelligence to networks, enabling automation, flexible configurations, and advanced networks Preview cutting-edge, telecom-enabled applications and gear—from mobile payments to drones Whether you ’ re an aspiring network engineer looking for a broad understanding of the industry, or a salesperson, marketer, investor, or customer, this indispensable guide provides everything you need to know about telecommunications right now. This new edition is ideal for both self-study and classroom instruction. Register your product for convenient access to downloads, updates, and/or corrections as they become available.

Your days of feeling enslaved, discouraged, and overwhelmed by your financial problems are over! From struggling financially all the way up to building a successful worldwide ministry and enjoying financial freedom, author Gary Keese shares his journey and his proven successful principles so you can control your finances. You will learn the spiritual laws of God ’ s Kingdom and exactly how to apply each principle discussed. Also clearly and expertly explained is how to: Find lost money. Put a plan in place to be out of debt in less than 7 years (including your mortgage!). Save in every area of life. See that the financial laws of the Kingdom can intersect with the natural realm to bring you freedom from worry and fear. From pitfalls to avoid to proactive steps to take, the path to financial freedom is clearly illuminated. *Fixing the Money Thing* is not a book of boring numbers and budgets—it is an
