Working for Vogue, Amy spends her days dressing waif models in London's latest apparel while fending off insults from the Gucci-garbed staff. Hardly the glamorous job she hoped it would be. But that won't stop her from fantasizing about the sensational life she knows she's destined for—or the prince who's bound to redeem her from a less-than-glowing record in romance. However, beneath her dreamy exterior, Amy has a sure streak of common sense. So when the impossible happens—and her path crosses that of London's hottest film star—she swoons with longing, expecting nothing in return. But Orlando Rock has other ideas. For Amy is just the kind of girl he's after: smart and witty, different from the daft supermodels and vain leading ladies he's dated before. Or is she? For with fame, fortune, and true love just around the corner, Amy's head is spinning, her jet-fueled imagination poised for takeoff. Is her love for Orlando stronger than her lust for the limelight—or is she merely fated to be the paparazzi's latest prey?
