Teaching Instrumental Music: Developing The Complete Band

Welcome to the website for The Teaching of Instrumental Music by Richard Colwell, Michael Hewitt, and Mark Fonder. The book, now in it's 5th ed, introduces music education majors to instrumental pedagogy for the instruments and ensembles commonly found in the elementary and secondary schools. It focuses on the core competencies required for teacher certification in instrumental music, with the pervasive philosophy to assist teachers as they develop an instrumental music program.

Teaching Instrumental Music: Developing the Complete Band

The Teaching Musician is a postgraduate programme, developed to support and recognise the skills of musicians working in music education. It is designed as a professional development programme for musicians working in the UK and beyond in any educational setting, from instrumental and vocal teachers to community music practitioners.

The Teaching Musician - Postgraduate Certificate, Diploma

The Teaching of Instrumental Music, Third Edition is the only text that integrates the pedagogy of performance skill on each instrument with that instrument's use in the school or adult ensemble. The text also analyzes the elements of teaching competence, both content and pedagogical, required of a twenty-first century teacher, including the ability to motivate students, to relate well with the administration and colleagues, to effectively administer the instrumental program, and to be ...
