A NEW YORK TIMES NOTABLE BOOK OF THE YEAR • A “ furious and addictive new novel ” (The New York Times) about mothers and daughters, and one woman's midlife reckoning as she flees her suburban life. “ A virtuosic, singular and very funny portrait of a woman seeking sanity and purpose in a world gone mad. ” —The New York Times Book Review “ Riddled with insights into aging, womanhood, and discontent, Wayward is as elegant as it is raw, and almost as funny as it is sad. ” —Philadelphia Inquirer “ A comic, vital new novel. ” —The New Yorker Samantha Raymond's life has begun to come apart: her mother is ill, her teenage daughter is increasingly remote, and at fifty-two she finds herself staring into "the Mids"—that hour of supreme wakefulness between three and four in the morning in which women of a certain age suddenly find themselves contemplating motherhood, mortality, and, in this case, the state of our unraveling nation. When she falls in love with a beautiful, decrepit house in a hardscrabble neighborhood in Syracuse, she buys it on a whim and flees her suburban life—and her family—as she grapples with how to be a wife, a mother, and a daughter, in a country that is coming apart at the seams. Dana Spiotta's Wayward is a stunning novel about aging, about the female body, and about female complexity in contemporary America. Probing and provocative, brainy and sensual, it is a testament to our weird times, to reforms and resistance and utopian wishes, and to the beauty of ruins.

“ A story that ’ s sure to stick with you for a long time. ” —BuzzFeed “ More than a coming-of-age novel. ” —School Library Journal “ [An] inventive, deeply heartfelt love story that explores connections of many kinds. ” —Booklist A teen outcast is simultaneously swept up in a whirlwind romance and down a rabbit hole of dark family secrets when another Taiwanese family moves to her small, predominantly white midwestern town in this remarkable novel from the critically acclaimed author of American Panda. Seventeen-year-old Ali Chu knows that as the only Asian person at her school in middle-of-nowhere Indiana, she must be bland as white toast to survive. This means swapping her congee lunch for PB&Js, ignoring the clueless racism from her classmates and teachers, and keeping her mouth shut when people wrongly call her Allie instead of her actual name, pronounced h-l e, after the mountain in Taiwan. Her autopilot existence is disrupted when she finds out that Chase Yu, the new kid in school, is also Taiwanese. Despite some initial resistance due to the “ they belong together ” whispers, Ali and Chase soon spark a chemistry rooted in competitive martial arts, joking in two languages, and, most importantly, pushing back against the discrimination they face. But when Ali ’ s mom finds out about the relationship, she forces Ali to end it. As Ali covertly digs into the why behind her mother ’ s disapproval, she uncovers secrets about her family and Chase that force her to question everything she thought she knew about life, love, and her unknowable future. Snippets of a love story from 19th-century China (a retelling of the Chinese folktale The Butterfly Lovers) are interspersed with Ali ’ s narrative and intertwined with her fate.

Twenty years after she and her best friend played a prank on a girl who subsequently disappeared, now-married Sadie begins to relive that nightmarish summer after a boy from her old neighborhood returns

fell under the grip of a strange new malady that caused them to sleepwalk across the country to a destination only they knew. They were followed on their quest by the shepherds: friends and family who gave up everything to protect them. Their secret destination: Ouray, a small town in Colorado that would become one of the last outposts of civilization. Because the sleepwalking epidemic was only the first in a chain of events that led to the end of the world—and the birth of a new one. The survivors, sleepwalkers and shepherds alike, have a dream of rebuilding human society. Among them are Benji, the scientist struggling through grief to lead the town; Marcy, the former police officer who wants only to look after the people she loves; and Shana, the teenage girl who became the first shepherd—and an unlikely hero whose courage will be needed again. Because the people of Ouray are not the only survivors, and the world they are building is fragile. The forces of cruelty and brutality are amassing under the leadership of self-proclaimed president Ed Creel. And in the very heart of Ouray, the most powerful survivor of all is plotting its own vision for the new world: Black Swan, the A.I. who imagined the apocalypse. Against these threats, Benji, Marcy, Shana, and the rest have only one hope: one another. Because the only way to survive the end of the world is together.

A Penguin Classic In his first novel to follow the publication of his enormous success, *The Grapes of Wrath*, Steinbeck's vision comes wonderfully to life in this imaginative and unsentimental chronicle of a bus traveling California's back roads, transporting the lost and the lonely, the good and the greedy, the stupid and the scheming, the beautiful and the vicious away from their shattered dreams and, possibly, toward the promise of the future. This edition features an introduction by Gary Scharnhorst. For more than seventy years, Penguin has been the leading publisher of classic literature in the English-speaking world. With more than 1,700 titles, Penguin Classics represents a global bookshelf of the best
