1. The Ruins of Us is a fascinating twist on the infidelity story in that Abdullah is in some sense justified in his decision to take a second wife. What would you have done if you were in Rosalie's shoes? Do you believe Abdullah truly thought he could have both Rosalie and Isra, or do you agree with Faisal when he says to Abdullah, 📖 pity you . . .

Ruins (from Latin ruina, meaning 'a collapse') are the remains of human-made architecture: structures that were once intact have fallen, as time went by, into a state of partial or total disrepair, due to lack of maintenance or deliberate acts of destruction. Natural disaster, war and population decline are the most common root causes, with many structures becoming progressively derelict over ...
