people seem to agree on, however, is that schools need to be held accountable—we need to know whether what they 're doing is actually working. But what does that mean in practice? High-stakes tests. Lots of them. And that has become a major problem. Daniel Koretz, one of the nation 's foremost experts on

longer we accept that  
lie, the more damage we  
do. It's time to end  
our blind reliance on  
high-stakes tests. With
