Abbott and Costello's classic comedy routine, reissued for children, features a bear and a rabbit trying to determine the baseball player covering each base.

This intimate portrait of Lou Costello (1906-1959) offers a rare look at one of the most talented comedians of all time. Starting in the 1930s, Costello attained enormous fame touring the burlesque circuits with straight man Bud Abbott (1895-1974). Their live skits (including "Who's on First?"), radio programs, and films such as *One Night in the Tropics*, *Buck Privates*, *Abbott and Costello Meet Frankenstein*, and *In the Navy* made comic history. Behind the scenes, however, Costello faced numerous crises: a bout with rheumatic fever that left him bedridden for months, the drowning death of his young son, and constant haggles with Universal Studios over its reluctance to adequately finance productions of Abbott and Costello films. Lou's on First goes beyond Costello's clownish persona to explore his Pagliacci nature: the private demons behind the happy public face, the heartbreaking moments in an otherwise storybook marriage, the business ventures soured by unscrupulous managers, and the true nature of the breakup of his twenty-one-year partnership with Bud Abbott.

Offers profiles of the popular comedy team, looks at their careers in vaudeville, radio, and film, shares several of their most famous routines, and includes the reminscences of those who worked with them

Provides an entertaining excursion through the film world of the comedy duo in this compilation of stills and excerpts from the scripts

Jack Sharkey Full Length, Comedy Characters: 2 male, 2 female Interior Set Take a husband, wife, lover and friend, add a strange lamp, a gun and a rubber chicken plus a party that begins at 8 p.m., then again at 8 p.m. and then again at 8 p.m. and you have this nightmare comedy." Four people find themselves reliving one horrible hour over and over as themselves, as Japanese, as British aristocrats, as gangsters, and almost anything else you can think of. Camille is giving the party. Don shows up in a jealous funk about his wife, Alice, whom he suspects of seeing another man. When Alice and Ben have arrived, it turns out their relationship is innocent. But by the time Don realizes this he has already shot Ben, Alice and even Camille. Camille wishes that things might have turned out differently and that is what happens. All concerned find themselves back at the party's beginning again and again doomed to live that same hour over and over again until they get it right. Is it all an accident? Or is their dilemma part of someone's fiendish plan? A labyrinth of hilarity exits to a shocker of an ending.

Hilarious and true-to-life, witty, compassionate, and impossible to put down, Straight Man follows Hank Devereaux through one very bad week in this novel from Pulitzer Prize-winning author Richard Russo. William Henry Devereaux, Jr., is the reluctant chairman of the English department of a badly underfunded college in the Pennsylvania rust belt. Devereaux's reluctance is partly rooted in his character--he is a born anarchist--and partly in the fact that his department is more savagely divided than the Balkans. In the course of a single week, Devereaux will have his nose mangled by an angry colleague, imagine his wife is having an affair with his dean, wonder if a curvaceous adjunct is trying to seduce him with peach pits, and

threaten to execute a goose on local television. All this while coming to terms with his philandering father, the dereliction of his youthful promise, and the ominous failure of certain vital body functions. In short, Straight Man is classic Russo—side-splitting, poignant, compassionate, and unforgettable.
