The New York Times Bestselling Mystery There is trouble brewing in the Louisiana swamp -- Bowser can smell it. Bowser is a very handsome and only slightly slobbery dog, and he can smell lots of things. Like bacon. And rawhide chews! And the sweat on humans when they're lying. Birdie Gaux, the girl Bowser lives with, also knows something is wrong. It's not just that her grammy's stuffed prize marlin has been stolen. It's the weird rumor that the marlin is linked to a missing treasure. It's the truck that seems to be following Birdie and the bad feeling on the back of her neck. When Birdie and Bowser start digging into the mystery, not even Bowser's powerful sniffer can smell just how menacing the threat is. And when the danger comes straight for Birdie, Bowser knows it up to him to sic 'em.

From fluffy kittens to cute puppies, babies will love meeting the baby animals in this chunky board book. Watch as they lift flaps and explore the shape and texture of the tactile tabs.

He felt a curious tingling in his hands and feet. He felt his nose becoming cold and wet, his ears becoming flappy. The thought in his mind was: 'I'm turning into a dog!' Eric is a perfectly ordinary boy. Perfectly ordinary that is, until the night when, in fifteen seconds flat, he turns into a dog! Eric and his best friend are determined to sniff out the truth - what makes an ordinary boy go 'woof'?

When ten-year-old Eric Banks is suddenly transformed into a playful Norfolk terrier, he must discover the reasons for the change and adapt to life as a dog.

Dogs have a way of making our lives feel complete. They're there for us through good times and bad, with their wholehearted engagement in life a lesson to us all on living in the moment. *Woof: A book of happiness for dog lovers* is a compendium of delightful quotes that capture the essence of our affection for these wonderful animals. Some are by famous people (Aldous Huxley, Mark Twain, Charles M. Schulz, Milan Kundera, G.K. Chesterton), others not; some are philosophical, others light-hearted—all are memorable. Accompanied by beautiful photography, and presented in a high-quality gift format, this is a collection of quotes to treasure.

Barks, licks, growls and wags—get a greater understanding of what your dog is trying to communicate to you, and why! Learn how to decipher all the barks, licks, growls and wags—and get a greater understanding of what your dog is trying to communicate to you, and why. Plus, discover how our longstanding codependency makes for happier, healthier humans and their pooches. This book explores the nature of our relationship with our four-legged friends including personal tales, scientific explorations and inspiring stories of how dogs can make us better people.

This book contains repetitive text. *Woof* is a novel for dogs written from the perspective of a dog. Only one word can describe the wondrous adventures waiting inside the cover of *Woof*, it is also the only word you will find inside the cover of *Woof*. *Woof*

A dog is a dog and a cat is a cat. And most of the time it's as simple as that. . . . Or is it? What's a dog to do when he falls in love with the cat next door? Bark? Chase his tail? Dig up a "brass bone" and hope that the universal language of music will help him to express his feelings? This humorous and heartfelt story is about the power of love and the power of music, told through the eyes of a lovelorn dog and the cat he adores.

INSTANT USA TODAY BESTSELLER Spencer Quinn's *It's a Wonderful Woof* presents a holiday adventure for Chet the dog, “the most lovable narrator in crime fiction” (Boston Globe), and his human partner, PI Bernie Little. Holiday time in the Valley, and in the holiday spirit—despite the dismal shape of the finances at the Little Detective Agency—Bernie refers a potential client to Victor Klovsky, a fellow private eye. It's also true that the case—promising lots of online research but little action—doesn't appeal to Bernie, while it seems perfect for Victor, who is not cut out for rough stuff. But Victor disappears in a rough-stuff way, and when he doesn't show up at his mom's to light the Hanukkah candles, she hires Chet and Bernie to find him. They soon discover that Victor's client has also vanished. The trail leads to the ruins of a mission called Nuestra Señora de los Saguaros, dating back to the earliest Spanish explorers. Some very dangerous people are interested in the old mission. Does some dusty archive hold the secret of a previously unknown art treasure, possibly buried for centuries? What does the Flight into Egypt—when Mary, Joseph and the baby Jesus fled Herod—have to do with saguaros, the Sonoran desert cactus? No one is better than Chet at nosing out buried secrets, but before he can, he and Bernie are forced to take flight themselves, chased through a Christmas Eve blizzard by a murderous foe who loves art all too much. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

Teaming up with 11-year-old Birdie to solve mysteries on the Louisiana coast, dog detective Bowser investigates the theft of a prize stuffed marlin in which Birdie's Grammy may have hidden a treasure map. By the best-selling author of the Chet and Bernie mysteries. Simultaneous eBook.
